# Resort Development Strategy 2025- 2027

# OPEN HOUSE

The Resort Development Strategy will outline Ucluelet's long-term vision for tourism within the community, and outlines plans and projects the municipality will undertake to achieve the objectives of the program.

- Provide feedback on potential tourism projects that will be funded through the Resort Municipality Initiative
- Identify the needs and interests of the tourism sector
- Align projects with the community's development goals
- Respond to challenges & opportunities
